The International Concrete Polishing & Staining Conference and Expo

is the only event of its kind specifically designed for concrete polishing professionals. This show offers 18+ conference sessions, an Exhibit Hall featuring polishing equipment and products, slab demonstrations and more.

To take advantage of our exclusive VIP offer for free access to the CP&S Exhibit Hall, simply enter promo code **MZM** when registering online.

We look forward to seeing you at the show!

P.S. Be sure to check out the CP&S Conference, offering more than 18 technical and business management sessions geared specifically for concrete polishing professionals!

On Wednesday, October 4 ... CP&S is offering an **All-Day Leadership Boot Camp – Leaders on a Mission 2017** led by construction veteran and coach, Brad Humphrey. This one-day leadership experience is guaranteed to impact your life, your professional growth, and your company's future success. Brad will cover topics ranging from "No Bad Job" technique to how to empower your company to become the "preferred contractor of choice." Don't miss this intensive, all-day coaching session to help you take your company to the next level!
